

Applique with Apliquick

Taught by: Cheryl Garrison

Learn how to create beautiful turned-edge applique using Apliquick, a lightweight fusible interfacing. In this class you will learn how to make perfect circles, crisp points, smooth curves, and easy stems. The simple project will give you experience in all these techniques. Cheryl will demonstrate an applique stitch that is almost invisible.

Cost: \$36 00 plus \$10 kit fee

Location/Date/Time: Hillsprings Church, Monday
October 21, 1:00-4:00

Supplies: The kit will include almost everything you need.

Bring:

- thimble
- small sharp scissors
- travel iron and ironing surface
- Cheryl will bring a collection of bright scraps you can use - or bring you own: a fat quarter for background and large scraps in colors of your choice

Questions? Text Cheryl Garrison at 616-813-5620.

Signup: at a guild meeting, at White Bluffs (at the museum or on their website) OR by printing, completing, and mailing the form below with the \$36 class fee. The \$10 kit fee will be payable at the class.
